

Entrance Assessment Requirements

Change to Entrance Assessment Requirement

Effective Immediately

Gupton-Jones College of Funeral Service hereby removes the requirement formerly listed as item #8 under “Application and Acceptance” (i.e. the required entrance assessment). No prospective student will be required to complete a standardized entrance exam (e.g. Wonderlic, SAT, ACT) for admission.

Accordingly, the revised admissions requirements are as follows:

Revised Application and Acceptance Requirements

To be considered for admission, an applicant must submit the following:

1. A completed application for the program desired
2. The \$50.00 non-refundable application fee
3. Enrollment documents executed via DocuSign for the desired program
4. A high school transcript certifying graduation, or a GED certificate or equivalent, sent directly to the College
5. Official transcripts from all previously attended postsecondary institutions (if applicable)
6. A recent photograph for identification purposes (e.g. driver’s license or state ID preferred)

Item #7 (entrance assessment) is no longer required and should be considered removed from the catalog and any admissions documentation.

Clarification Note

While the College continues to adhere to applicable educational and licensing requirements as determined by each state’s funeral service licensing board, the admissions process itself no longer imposes a standardized entrance exam. The institution reserves the right, where permitted by law and policy, to deny admission in cases where an applicant is not in the best interest of the College, its students, or the funeral service profession.
